The City provides further notice as follows:

1. In *Ellis v. City of Montgomery*, the United States District Court for the Middle District of Alabama stated that, in cases such as this where a municipality seeks the demolition of building by use of its police powers, "A simple *lis pendens* filing after sending notice to the current owner of a property would place subsequent purchasers on record notice that demolition could occur." *Ellis v. City of Montgomery*, 460 F.Supp.2d 1301, 1307 (M.D. Ala. 2006). Here, the City is invoking the procedure recommended by the District Court.

2. By the filing of this Notice, the City is not claiming any right, title, or interest in the Subject Property. Rather, the purpose of this Notice is to put all interested parties on notice of the City's intent to exercise its authority provided by law and specifically by the City's ordinances.

3. The Ordinance is "An Ordinance Concerning Unsafe Structures and Dangerous Buildings." The below-signed Appropriate Municipal Official is the person designated to exercise the authority and perform the duties delegated by the Ordinance.

4. The Appropriate Municipal Official finds that the building located on the Subject Property is a "dangerous building" within the meaning of the Ordinance because of the following defects:

- (1) The building has been damaged by fire, wind, earthquake, flood, sinkhole, deterioration, neglect, abandonment, vandalism, or any other cause so as to have become dangerous to life, health, property, morals, safety, or general welfare of the public or the occupants;

- (2) The building has become or is so damaged, dilapidated, decayed, unsafe, unsanitary, lacking in maintenance, vermin or rat infested, containing filth or contamination, lacking proper ventilation, lacking sufficient illumination, or so utterly fails to provide the amenities essential to decent living that it is unfit for human habitation, or is likely to cause sickness or disease, so as to work injury to the life, health, property, morals, safety, or general welfare of the public or the occupants;
- (3) The building is so damaged, decayed, dilapidated, structurally unsafe, or of such fault construction or unstable foundation that partial or complete collapse is possible;
- (4) The building, or any portion thereof, is clearly unsafe for its use or occupancy;
- (5) The building is, because of its condition, unsafe, unsanitary, or dangerous to the life, health, property, morals, safety, or general welfare of the public or the occupants; and

5. The Appropriate Municipal Official finds that the building on the Subject Property is substantially damaged or decayed, or deteriorated from its original value or structure (not including the value of the land).

6. The Appropriate Municipal Official finds that the building on the Subject Property cannot be reasonably repaired within a reasonable time and at a reasonable cost relative to the value of the structure so that it will no longer exist in violation of the terms of the Ordinance.

7. The Appropriate Municipal Official finds that the building on the Subject Property is a fire hazard existing in violation of the terms of the Ordinance.

8. For purposes of this Notice, the term "building" is deemed to include all structures, appurtenances, improvements, and items on the property, whether or not attached to or a part of the main structure, including, but not limited to, houses, mobile or manufactured homes, trailers, garages, sheds, carports, other accessory structures, pools, as well as any items located therein or on the Subject Property, including, junk, rubbish, trash, litter, grass and weeds as defined by the City's grass and

weed abatement ordinance, junked motor vehicles, and/or any other matter declared a nuisance under existing law. For further particulars of what the "building" on the Subject Property includes, please contact the Appropriate Municipal Official.

9. Notice is hereby given to remedy the unsafe or dangerous condition by demolition of the building on the Subject Property within forty-five (45) days of the date of this Notice to the Appropriate Municipal Official's satisfaction. In the event the owner does not comply within the time specified herein to the Appropriate Municipal Official's satisfaction, the demolition shall be accomplished by the City and the cost thereof assessed against the Subject Property and such cost shall constitute a lien against the Subject Property.

10. The Appropriate Municipal Official finds that the building on the Subject Property is in such condition as to make it dangerous to the life, health, property, morals, safety, or general welfare of the public or the occupants. Therefore, the Appropriate Municipal Official orders that the building on the Subject Property and/or the entirety or other portion of the premises upon which it is located be and remain vacated until demolished.

11. A public hearing as provided for by Section 8(a) set forth in the Ordinance shall be held on the finding of the Appropriate Municipal Official in the Council Chambers at Rainbow City Hall, 3700 Rainbow Drive, Rainbow City, Alabama, on the 24th day of August, 2026, at 5:00 p.m. At that time, the City Council shall hold a public hearing to receive any objections to the finding by the Appropriate Municipal Official that the building or structure is unsafe to the extent of becoming a public nuisance. A written request for a public hearing is not necessary. At the public hearing, the Council shall also receive any written objections to the finding by the Appropriate Municipal Official. Any such written objection must be submitted to the City Clerk prior to the start of the Council meeting at which the public hearing is held. No action shall be taken on the finding of the Appropriate Municipal Official until determination thereon is made by the Council. Upon holding the hearing, the

Council shall determine whether or not the building or structure is unsafe to the extent that it is a public nuisance. If it is determined by the Council that the building or structure is unsafe to the extent that it is a public nuisance, the Council shall order demolition of the building at the expense of the City and assess the expenses of the move or demolition on the land on which the building stands or to which it is attached. Any person aggrieved by the decision of the Council at the hearing may, within ten (10) days thereafter, appeal to the Circuit Court of Etowah County, Alabama, upon filing with the Clerk of the Circuit Court of Etowah County, Alabama, notice of the appeal and bond for security of costs in the form and amount to be approved by the Circuit Clerk. For further particulars, see the Ordinance.

12. A failure by the Council to act on the findings of the Appropriate Municipal Official within one hundred twenty (120) days from the date of this "Finding of Public Nuisance, Notice and Order to Remedy, and Notice of *Lis Pendens*" shall constitute an abdication of the Appropriate Municipal Official's findings. However, this shall in no way prevent the City from reinitiating the proceedings authorized by the Ordinance at any time so long as all the requirements of the Ordinance are satisfied anew. Furthermore, this does not require that the ordered demolition take place within one hundred twenty (120) days from the date of this "Finding of Public Nuisance, Notice and Order to Remedy, and Notice of *Lis Pendens*." A failure by the City to accomplish the demolition of the building within one hundred eighty (180) days of the passage of the resolution by the Council ordering the same shall constitute an abdication of the Council's order unless certain conditions further explained in the Ordinance are satisfied. For further particulars, see the Ordinance. Anyone interested in the status of these proceedings should inquire with Rainbow City's Clerk at (256) 413-1217 or at 3700 Rainbow Drive, Rainbow City, Alabama.

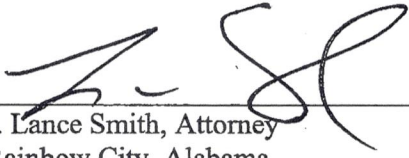

13. It is unlawful for any person, or for any agent, servant or employee of such person, to obstruct or interfere with the Appropriate Municipal Official in carrying out the purposes of the Ordinance.

14. It is unlawful for any person, or for any agent, servant or employee of such person, to mutilate, destroy, tamper with this "Finding of Public Nuisance, Notice and Order to Remedy, and Notice of *Lis Pendens*."

15. It is unlawful for any person to enter, access, or be upon the Subject Property that the Appropriate Municipal Official has ordered to be vacated pursuant to this "Finding of Public Nuisance, Notice and Order to Remedy, and Notice of *Lis Pendens*" except for the purposes of demolishing the same.

16. It is unlawful for any person who has received this "Finding of Public Nuisance, Notice and Order to Remedy, and Notice of *Lis Pendens*" to sell, transfer, mortgage, lease, encumber, or otherwise dispose of the building that is the subject of the same to another until such person shall first furnish the grantee, transferee, mortgagee, or lessee a true copy of this "Finding of Public Nuisance, Notice and Order to Remedy, and Notice of *Lis Pendens*" and shall furnish to the Appropriate Municipal Official a signed and notarized statement from the grantee, transferee, mortgagee, or lessee acknowledging the receipt of this "Finding of Public Nuisance, Notice and Order to Remedy, and Notice of *Lis Pendens*" and fully accepting the responsibility without condition for making the corrections or repairs required by this "Finding of Public Nuisance, Notice and Order to Remedy, and Notice of *Lis Pendens*."
